

Symbeeosis

# Store Manager

Symbeeosis is a new company dedicated to making lives better with high quality food products and food supplements. We share a vision of regenerating our economy, business, leadership, agricultural and beekeeping practices, health, diet, and wellbeing.

Our philosophy is simply expressed by the motto; Love yourself, love your planet” This is more of a movement than just a brand. This movement challenges the concept of what it means to be a business today, by creating a new set of values in favor of our Earth and society, and a philosophy that preaches doing good for yourself and others, alongside our planet.

We are excited to recruit a Store Manager to join our team for our store in International Airport in Athens, Greece to provide high-quality customer service.

## Main Responsibilities

- Maintain an exceptional service experience in store, ensuring high level customers' satisfaction
- Meet sales goals
- Manage and resolve customer issues, by retaining the client relationship.
- Contact with suppliers
- Ensure cash control procedures are properly followed
- Control store expenses
- Support opening and closing of the store as Manager
- Maintain the facility in excellent condition and take care of any issues arise
- Process payments
- Understand and properly execute all management POS functions
- Report to the management
- Provide support and coaching where needed to the sales assistant

## Job Requirements

- University Degree or equivalent qualification
- Proven successful experience as a Store Manager
- Powerful leading skills and business orientation
- Customer management skills
- Strong organizational skills
- Good communication and interpersonal skills
- Proven ability to drive positive customer experiences that build loyalty and deliver measurable results.
- Strong verbal and written communication skills in both Greek and English. Other languages desirable
- Loves and respects the planet and nature

## What Symbeeosis can offer you:

- An ethical work business environment
- An attractive, market-oriented salary aligned with your qualifications and above average wages
- A helpful and encouraging business environment that respects innovation and talent
- An individual and well-structured introduction and induction training when you onboard
- Your professional and personal development will be supported because we believe in people
